2 killed, 4 injured as dilapidated building marked 'dangerous' collapses in Jafrabad

RAJKOT, MARCH 26

TWO MEN were killed and four injured when a dilapidated building in Jafrabad town of Amreli came crashing down on Tuesday, said police. The old building was among the 200 units marked "dangerous" in Jafrabad, as per officials.

The building came crashing down around 10:30 am Tuesday, said police, trapping six men under the debris.

Officers of Jafrabad municipality said the two-storey building at Giriraj Chowk in the heart of Jafrabad housed a branch of the State Bank of India (SBI) till 2016 but was vacant after the bank moved to another location.

"It was apparently not maintained since then and today, its parapet and the wall facing the road collapsed," Jaydev Chauhan, incharge chief officer of Jafrabad municipality, said.

While Suresh Solanki, a farmer, succumbed to his injuries on the spot, Atubhai Makwana (38), a mason, died while undergoing treatment at a hospital in Mahuva town of Bhavnagar district where he had been rushed for treatment, said police.

Four others who were injured were identified as Bhupat Makwana, Babu Solanki, Ronak Bambhaniya, and Bhanu Baraiya. The injured were undergoing treatment at hospitals in Bhavnagar.

Those killed and injured in the incident had gathered at a tea stall in front of the building, as per officials, at the time of the incident.

"Bhupat runs a tea stall in front of the building and people were having tea when the building collapsed. They were hit by limestone blocks when the building came tumbling down. Bystanders promptly helped in the rescue," police inspector JR Bhachkan, incharge of Jafrabad police station, told *The Indian Express*.

The building owner has been identified as Chandubhai Shiyal. "Prima facie, there are some 200 old buildings that have been declared dangerous in Jafrabad and the building which collapsed on Tuesday is one of them," Bhachkan said, adding, "Originally, the building was a ground-floor plus two-storey structure. However, the owner of the building had removed the second floor some time ago."

Jafrabad police have registered a case of accidental deaths and started an inquiry into the incident.

KIDNAPPED WHEN SHE WAS PLAYING OUTSIDE HER HOUSE

Two arrested after Surat girl, 11, gang-raped, murdered: Police

EXPRESS NEWS SERVICE
SURAT, MARCH 26

AN 11-YEAR-OLD girl in Surat, who went missing a week ago, was kidnapped, gang-raped and later murdered, police said Tuesday. Two men have been arrested in the case, officials added.

The girl had gone missing while playing outside her house on the afternoon of March 18. Along with the neighbours, the family then launched a frantic search. They later lodged a missing complaint.

While a search operation was launched, the local police station informed other branches.

Fifteen teams were formed, a dog squad was deployed and drone cameras were used, police said. Officials went to more than 600 houses for clues. On March 23, a farmer stumbled upon a body in his field and informed the police. After identification, it was confirmed that the body was that of the missing girl.

The two accused have been identified as Dipak alias Sivdarshan Kori (23), a native of Uttar Pradesh, and Anuj alias Suman Paswan (23), a resident of Jharkhand.

Speaking with *The Indian Express*, Surat Rural LCB (Local Crime Branch) inspector RB Bhatol said, "Fifteen teams were working in this case. Once the body was found, we started interrogating the suspects... mostly those staying alone and working in (nearby) factories. We suspected that somebody known to the family was involved in the crime."

"One of the suspects -- Dipak -- was among those brought for interrogation. He had scars around his neck and he could not give an explanation. With the help of his mobile records, it was confirmed he was present at the crime scene. He gradually confessed that he and 'his friend' Anuj kidnapped the girl and took her to a farm where they gang-raped her and later strangulated her out of fear, because she lived in the same neighbourhood," he added. As per the post-mortem report carried out on Sunday, the girl died around five-six days before the body was found. She was raped and died due to strangulation, the report confirmed.

Bhatol added, "We want the case to run in a fast-track court. We will also write to appoint a special public prosecutor in this case. Both accused had been staying in Surat for over four years and worked in different textile factories."

Police have registered offences under Indian Penal Code (IPC) sections related to murder, rape destruction of evidence, and also provisions of the Protection of Children from Sexual Offences (POCSO) Act.

The two accused were produced before a Surat court on Tuesday for obtaining remand. They have been sent to police custody for seven days till April 1.

State to get its 1st hovercraft maintenance unit

EXPRESS NEWS SERVICE
RAJKOT, MARCH 26

GUJARAT IS set to get its maiden hovercraft maintenance unit (HMU) as the Indian Coast Guard has decided to set up a dedicated and well-equipped facility for maintenance in Okha town of Gir Somnath district of the state. The foundation stone will be laid on Thursday.

The Indian Coast Guard's north-west region patrols the coast of Gujarat and besides ships, it also has a few hovercrafts. "However, the Coast Guard doesn't have any dedicated facility for periodic maintenance of these hovercrafts. Presently, our personnel carry out maintenance from makeshift facilities. A need was felt to have a dedicated HMU with all equipment, spares and tools. Accordingly, the government has sanctioned an HMU at Okha," a coast guard officer not wishing to be identified said.

The ICG keeps its hovercrafts stationed on the western coast of Gujarat and the HMU will cater to these platforms. Defence Secretary Giridhar Armane will lay the foundation stone of the HMU at a ceremony to be organised in Okha on Thursday. "The HMU will include facilities for beaching of hovercrafts and carrying out maintenance," the officer added.

The Defence Secretary will also lay the foundation stone of accommodation for Coast Guard staff In Veraval on Friday.

Three killed as ambulance rams truck, patient survives

GOPAL KATESHIYA
RAJKOT, MARCH 26

TWO WOMEN and an ambulance driver were killed after the vehicle rammed a truck on National Highway 47 near Chotila town of Surendranagar while they were shifting a patient, an alleged victim of domestic violence, from Chotila to Rajkot city late night Monday.

The patient survived the fatal crash, police said.

The accident took place around 11:30 pm when the ambulance crashed into the truck from behind near Aapa Gigano Otlo, some 7 kms west of Chotila.

Ambulance driver Vijay Bavaliya (39), and passengers Payal Makwana (18) and Geeta Miyatra (47), who were seriously injured in the crash, were rushed to a hospital in the town.

"Miyatra succumbed to her wounds while undergoing treatment. The ambulance driver and Payal were referred to a hospital in Rajkot where they too died," a Chotila police official said.

The trio were shifting Payal's mother and Miyatra's sister Kajal Makwana, allegedly assaulted by her husband and in-laws, to a hospital in Rajkot from Chotila.

"Kajal was rushed to a hospital in Chotila town after being beaten by her husband and her father-in-law and mother-in-law. She had suffered internal injuries and after being given primary treatment at a Chotila hospital, the doctors referred her to a Rajkot hospital for further treatment," M. K. Parmar, inspector incharge of Nani Moldi police station, told *The Indian Express*.

While Payal was a resident of Rajpara village that comes under the jurisdiction of Nani Moldi police station, the ambulance driver was a resident of Chotila town.

"After recording the case history as stated by Kajal and giving her primary treatment, the doctors referred Kajal to Rajkot while also alerting Chotila police. Before we could register any offence in connection with the assault on Kajal, the ambulance in which she was being ferried to Rajkot met with the accident," the police station incharge said.

Chotila inspector RM Sangada said police are ascertaining the cause of the accident.

"Our team went on the spot and are investigating what led to the accident," Sangada told *The Indian Express*.
